

## HOPSCOTCH COOKIES

1 6 oz package Butterscotch morsels

1 Cup peanut butter

3 10 oz cans Chow-Mein noodles

1 Package mini marshmallows

Melt butterscotch and peanut butter over double boiler or in microwave

Mix half package of marshmallows and all noodles in large bowl until well combined.

Pour melted mix over noodle mix and stir gently to coat noodles.

Using large serving spoon sprayed with cooking oil, shape 1 ½" bundles and deposit on wax paper lined baking sheet. Chill bundles for 1 hour and remove to container. Place wax paper sheet between layers as needed. Makes about 3 dozen cookies depending on size.
