

POTATO CHIP COOKIES

Cream 1 pound room temperature butter. Add one 8 ounce bag of crushed potato chips, 2 tsp vanilla,

3-1/2 cup flour, 1-1/2 cups sugar. Beat until completely mixed. Drop with teaspoon on parchment-lined cookie sheet.

Bake at 375 for approximately 12 minutes. Watch and remove from oven when cookie edges just start to turn toasty brown.

Makes about 5-6 dozen cookies
