

Sweet Creamed Corn Recipe

Preheat oven to 350 degrees

Ingredients

½ C butter (1 stick)

1 can whole kernel corn (15 oz)

1 can creamed corn (15 oz)

1 C sour cream

3 Tlb sugar

½ tsp salt

½ tsp pepper

1 (8oz) box Jiffy cornbread mix

In 8x8 or 9x9 pan melt butter in microwave

Add drained whole kernel and all creamed corn

Add sour cream, sugar, and box of Jiffy

Combine well. Bake at 350 for 35-40 minutes

Note: I omitted the sugar, added ½ shredded cheddar cheese, also sprinkled some on top just out of oven and let melt. This would be great with jalapeno peppers, also.
